“MORE OPTIONS, MORE EXPERIENCE, MORE CARE”

WILLIAM O. REED, JR., M.D. Saturday, June 11, 2011

Board Certified, American Board of  
Orthopaedic Surgery  
Certificate of Added Qualification In  
Surgery of the Hand & Upper Extremity  
Member, International Society for Minimal  
Intervention in Spinal Surgery  
Member North American Spine Society

TO MY PATIENTS:

## Important Announcement Regarding Dr. William O. Reed, Jr and Advanced Spine and Orthopaedic Specialists:

ASOS is now a hospital owned practice. Dr. William O. Reed, Jr., founder of the practice, has chosen to **remain independent** to best represent his patients' interests. Thus he has moved to the **Shawnee Mission Medical Building** next door to the emergency room on the **Shawnee Mission Medical Center Campus**. The same quality care for which Dr. Reed is well known will be provided for Upper Extremity, Hand, Shoulder; Cervical, Thoracic and Lumbar conditions with Endoscopic and Minimally Invasive procedures at our relocated office:

**CHRIS ROSE, P.A.C.**  
Board Certified, National Commission on  
Certification of Physician Assistants

**CINDY BARRACK, CAPPM**  
Administrator  
cbarrack@HandAndSpine.com

*Microsurgery of Extremity*  
*Repair and Reconstruction*  
*Limb Salvage Procedures*

**Attention to my established patients:** Your previous records were retained by ASOS. In wishing that I continue to provide for your care, certain new information will be gathered from you by our new location's staff as we have **modernized with secure electronic medical records**. Your old records will need to be requested and obtained from my previous location so that we may scan them once and permanently into our server. We apologize for this inconvenience, and wish it were not so. Please allow several days' time for you record to be available for you to pick up after requesting at my old location or have mailed or faxed to our new office. A form for you to fill out and transmit to my old location is available at ASOS, our office, on our website and enclosed. More likely than not, ASOS will charge you a fee for the record release and copying. For this we apologize but cannot control. Our Work Comp patients will need to have their Work Comp representative complete records transfer request form as ASOS is not honoring the patient's requests for transfer of these records.

If you have any questions, please contact our office at the number listed above and we will be happy to help you. Additional information is available on our websites, listed on the margin to the left. If you find Dr. Reed's old office uncooperative in your records transfer, please document and send to us a statement for action to be taken on your behalf. Your rights as a patient are well described, will be strictly adhered to by this practice, and I hope you experience the same at other physician practices. The means for explanation and enforcement of your patient rights are at your disposal through the respective State Board of Healing Arts websites.

Shawnee Mission Medical Building  
9119 W. 74<sup>th</sup> Street  
Suite 354  
Merriam, KS 66204
